#### DID YOU KNOW?

You could accelerate the examination of your Singapore patent application by applying for a **Patent Prosecution Highway (PPH)** request to rely on the national or PCT examination results issued by one of 30 PPH and Global PPH partners, including the **patent offices of China, Japan, Korea, United States and the European Patent Office.**

Applications under the PPH/GPPH programme benefit from fewer office actions and have a higher grant rate on average, at no additional cost. Find out more at [www.ipos.gov.sg](http://www.ipos.gov.sg) under About IP > Patents > How to Register > Accelerated Programmes.

### What's Next

In order to fulfill the search and examination requirements, please either -

- a) File Patents Form 10 to request for Search within 13 months<sup>[1]</sup>;
  - b) File Patents Form 11 to request for Search and Examination within 36 months<sup>[1]</sup>;
  - c) File Patents Form 12 to request for Examination within 36 months<sup>[1]</sup>; or
  - d) File Patents Form 12A to request for Supplementary Examination within 54 months<sup>[1]</sup>.
- Note that this option is only applicable to patent applications filed before 1 January 2020.

If none of the above requests were filed by the due dates, the application will be treated as abandoned.

[1] The period prescribed is typically calculated from the declared priority date or, where there is no declared priority date, the date of filing of an application.
